No Jeanine, I don't think I will...

Subject: Tesla v. Tripp - Tripp's Social Media Postings

Will and Robert,

It has come to our attention that Martin Tripp has resumed posting on social media, including on Twitter and YouTube, about Tesla, Inc. v. Martin Tripp, Case No. 3:18-cv-00296-LRH-CBC. Among his posts there was a link to a Google Drive folder with case documents. For example, in the last fifteen minutes, he posted the transcript and video of Sean Gouthro's deposition, which had been marked confidential.

Can you confirm whether you still represent Mr. Tripp? If so, we request that he be directed to immediately take down all case materials and Tesla confidential information from Twitter, YouTube, Google Drive, and any other location that he is making it publicly available.

Regards,  
Jeanine

To my understanding that is a purely civil matter. Not that there's no treaty...

Why would it be deemed confidential? So it was true that they hack people's phones.
